Olympia, WA 98506

Bonnie Long, President Jack Smith, Vice President Bernice Best, Sec-Treasurer

“Kids’ Fish-In” Program Sponsor,

The Go Play Outside Alliance of Washington, (GoPAW) is a non-profit organization with an IRS non-profit registration #61-1511745. GoPAW is composed of volunteer groups, clubs, and other non-profits whose beliefs; goals and mission are to get youth outdoors; This involves the sharing of the heritage and traditions that have made this country what it is today through experiencing hunting, fishing and environmental stewardship.

GoPAW relies on grants, sponsorships, in-kind and monetary donations in order to support many of its events. It is important to note that while many organizations have overhead costs to make these types of events and activities happen, GoPAW does not, and applies 100% of each donation to the event or activity on behalf of the donor’s request. These donations may be tax deductible and GoPAW advises that donors consult with their accountant or tax adviser for more details. (Tax ID number will be provided upon donation receipt.)

This year, GoPAW, has taken on an additional program through the “Kids’ Fish-In” program, holding up to 12 events and activities across the state of Washington. You can see where each of these are scheduled to happen by visiting www.gopaw.org, showing dates, times and locations. Each event is a community-based event, which GoPAW helps to coordinate. Each event has a required registration process and does not discriminate in any way other than the limitations placed on the number of spaces that are available to participate. Many times these limits are due to funding or actual space where the event is to be held. Volunteer groups at the local level make these events happen. Through your donations, these events can provide a better experience for each child. Rods, reels, fishing tackle, nets, bait, t-shirts, volunteer recognition, advertising, registration costs are just a few of these expenses.

Would you consider making a donation towards your community’s event? Please consider this as an opportunity to get a child out of the house and away from the television, electronic game or toy. Help us to provide the experience of the out of doors and the many things that it can offer them. Help youth experience the sounds of nature and how we can interact, sustain and make it available to future families in our communities.

Please take a moment, fill out the enclosed form and send it to GoPAW in recognition of the event that you wish to provide sponsorship for. GoPAW will be happy to provide you with a donor’s letter, including the required IRS information and amount donated. Your donation can be by check, cash, or identified in-kind donation commitment.

Thank you,

Bonnie Long
President, GoPAW
